**ISSUE:**

Authorize the purchase of a 2009 Ford F550 truck for use by the Parks Department.

**SYNOPSIS:**

This resolution authorizes the purchase of a 2009 Ford F550 truck from Ken Garff Ford as shown on the attached documentation.

**BACKGROUND:**

The City has selected Ken Garff Ford as the supplier for a 2009 Ford F550 truck for use by the Parks Department. Ken Garff Ford holds the State contract for this vehicle.

A 2008 Ford F350 was purchased for the Parks Department from the 2007/08 Replacement Fund to replace vehicle 740372, a 1991 Chevrolet Stakebed. It was later determined that a heavier vehicle with a dump bed would work more effectively than a flatbed for that use. The Public Works Dept. had a need for an additional flatbed truck for traffic striping and pavement marking, so the F350 originally purchased for Parks was transferred to Public Works. Public Works is now purchasing a replacement vehicle for Parks. The cost of the new F550 truck is nearly equal to the cost of the 2008 Ford F350 including the flatbed. The dump bed will be purchased from remaining replacement funds.

**RECOMMENDATION:**

Approve the purchase of a 2009 Ford F550 truck for use by the Parks Department.
